

LETTER OF AUTHORIZATION

Dear Customer:

Allband partnered with 123NET/Voyant to give you telephone number portability.

Local Number Portability (LNP) allows you to move your current telephone number from your current telephone provider to 123net/Voyant. Your current provider requires this Letter of Authorization as proof that you have requested and authorized to have your telephone number(s) transferred to another provider. By submitting this form, you authorize us to initiate the process of transferring your telephone number.

The process of transferring your number will take approximately 14 days to complete, during which time we may or may not be able to obtain status updates from your current provider regarding the status of the transfer. While the transfer is being scheduled, your current telephone service should NOT be cancelled or interrupted. During this time, you MUST maintain active paying service with your current provider. Canceling your service after submitting this form and before your number port is complete WILL result in losing your phone number.

IMPORTANT

Please DO NOT submit any service change orders on your current phone number to your current provider. Doing so will delay or cancel this transfer. If you are relocating, you MUST use your current address not your prospective address.

Customer Name (please print) _____

Contact: _____ Billing Phone Number: _____

Current Address: _____ Phone Numbers that I authorize 123NET/Inteliquent to port:

_____ # _____

_____ # _____
